MARINE TRANSPORTATION

---

November 25, 2009

To Our Valued Customers:

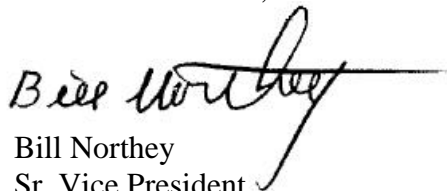

Northland Services, Inc. has filed with the Surface Transportation Board for a general increase of 5.0% effective December 13, 2009. This increase applies to all cargo shipped to and from Central Alaska ports. The new rates will first apply to cargo shipping on our voyage A951.

This increase is consistent with our escalating costs and we are committed to providing our customers with the best transportation value in Central Alaska.

Please contact your sales representative if you have any questions regarding this increase.

Thank you for your continued support of our service.

Sincerely,  
Northland Services, Inc.

Bill Northey  
Sr. Vice President
